

UCS Reporting Guide

General Information

- Every school is required to submit a report each month, even if no Unified activities took place.
- A link for each month's report will be made available on the [Dashboard](#) last day of the month.
- Reports are due by the 10th of the following month. So, September's report is due by October 10.
- Please submit a separate report for each school.
- Late, missing, and incomplete reports will impact your school's funding.
